

RESUME

Name: Sneha Ahirwar

Contact: 9109646645

Email: sneha19cs120@satiengg.in

Program	Institution	%age/CGPA	Graduation Year
B.Tech. (Computer Science)	Samrat Ashok Technological Institute	8.76/10	2023
XII Class (MP Board)	Mansarovar Academy	80.6%	2019
X Class (CBSE Board)	Vatsalya Senior Secondary School	10/10	2017

Scholastic Achievements:

- Among the top **5%** of the class who achieved **10** CGPA in 10th standard
- Achieved **1st** rank in Bhartiya Sanskriti Gyaan Pariksha (2010)

Technical Skills:

- Programming Languages: C, C++, HTML, SQL, Python, Java, C#, ASP .Net

Relevant courses:

Programming in C/Python	Operating System
Object Oriented Programming in Java	Statistics
Data Structures and Algorithms	Calculus
Theory of Computation	Database Management System

Experience:

- **Application Developer-Microsoft .Net Trainee (IBM):** trained in C#, DSA, OOPs, ASP .Net, ASP .Net MVC, ASP .Net Core
15/07/2023 to 15/08/2023
- **Python and Java Programmer (Invariance Automation Private Limited):** added camera positioning in solder paste dispenser functionality in opennp1.0, further worked on adding this functionality in opennp2.0. Later, worked on User Interface development for Pick &Place Machine.
20/09/2021-20/10/2021 & 20/12/2022-20/02/2022
- **Marketing & Sales Trainee (Ifortis Worldwide):** Skills Covered: Sales funnel, Creation of key visuals & presentations, Promotion: Integrated Marketing Communication, Comprehensive knowledge, Segmentation & Targeting, Marketing & sales strategy, Consumer Behavior
31/05/2021 to 16/07/2021

Projects:

- **Image Analysis using SVD:** Performed Principal Component Analysis on Image data and generated reconstructed images for varying low dimensions (<https://github.com/sneha-ahir/Image-analysis-using-svd>)
- **Facial Emotion Detection Using Neural Network:** Real-time deep learning model created using OpenCV, Keras, implemented different layers of CNN to improve efficiency
- **MainStreet Market (Online Shopping Store):** Full Stack e-commerce web application using ASP.NET MVC. Implemented User authentication and authorization, Product catalog with categories, Shopping cart functionality, invoice generation, Admin panel for managing products, orders, and users.
(<https://github.com/sneha-ahir/MainStreetMarket>)

Position of Responsibility:

- **FIAT (Faith in Action Together) Coordinator:** Organized and managed online puzzle & quiz events – ‘Movie Trivia’ and ‘Brain Matrix’ with **200+** registrations, event was well-planned and appreciated by professors

Extra-Curricular Activities:

- Member of **NCC** (National Cadet Corps), Division - Senior Wing, Rank: Corporal, C certificate
 - Actively participated in many events like, participated in the parade of 26th January 2020-2021, participated in Swachh Bharat Abhiyan. Attended CATC (Combined Annual Training Camp) twice.
- Basketball player, played in Nodal, Bhopal
